

Licensure Exam Passrates, Advanced Programs

Note that Oregon TSPC no longer requires licensure exams for our School Counseling, Principal License, or Professional Administrator programs. Data is presented here for our ESOL, Reading Interventionist, Special Education, and School Psychology programs.

GSEC School-Based Programs: Exam Biennium Passrates, by Program

*Average score & passrate calculated w/ highest score per student per exam.

*Candidates reported in the year of their high score in cases where they attempted the exam in multiple years.

*Data as of 2/8/24

Program	Simplified Exam Title	Exam AY	n	#Not Passing	High-Score Average	High-Score Passrate	AY State Mean
ESOL	NES - ESOL	2021-2022	11	0	268.1	100.00%	250.30
	NES - ESOL	2022-2023	14	0	265.8	100.00%	252.40

Data Findings, ESOL: Candidates' mean scores were relatively consistent over time, and well above the state mean in both exam years. All candidates ultimately passed the exam.

GSEC School-Based Programs: Exam Biennium Passrates, by Program

*Average score & passrate calculated w/ highest score per student per exam.

*Candidates reported in the biennium of their high score in cases where they attempted the exam in multiple biennia.

*Data as of 2/8/24

Program	Simplified Exam Title	Exam Biennium	n	#Not Passing	High-Score Average	High-Score Passrate	Biennium State Mean
Reading	Praxis - Reading Specialist - 9/1/21 and after	2021-2023	12	0	178.2	100.00%	172.74

Data Findings, Reading: Data from two cycles has been aggregated together due to low n in both years (In the 2021-2022 exam year n = 8; 2022-2023 n = 4). Candidates' mean scores were slightly above the biennium state mean. All candidates passed the exam on the first attempt.

GSEC School-Based Programs: Exam Biennium Passrates, by Program

*Average score & passrate calculated w/ highest score per student per exam.

*Candidates reported in the biennium of their high score in cases where they attempted the exam in multiple biennia.

*Data as of 2/8/24

Program	Simplified Exam Title	Exam Biennium	n	#Not Passing	High-Score Average	High-Score Passrate	Biennium State Mean
SPED	NES - Special Education	2021-2023	20	0	265.0	100.00%	256.10

Data Findings, SPED: Data from two cycles has been aggregated together due to low in in the 2021-2022 exam year (n = 7). Candidates' mean scores were well above the biennium state mean. All candidates passed the exam on the first attempt.

2020-21 & 2021-22 School Psychology Graduates:
Praxis Scores, by Fall-Start AY

Graduation AY	n	Mean	SD	Min	Max
2020-2021					
Total Score	20	174.45	7.37	163	195
Category I	20	25.75	2.45	20	31
Category II	20	18.75	2.81	13	25
Category III	20	13.85	1.31	12	17
Category IV	20	26.75	2.86	21	31
2021-2022					
Total Score	19	167.16	9.99	152	191
Category I	19	24.95	3.05	20	31
Category II	19	19.21	2.72	13	24
Category III	19	13.11	1.97	9	16
Category IV	19	24.63	4.18	16	32

100% (N = 39) of candidates who have completed the program in the last two years have taken the Praxis exam and achieved a score above the passing score of 147 required for national certification (NCSP). The 2020-21 interns' mean score was 174.45 (SD 7.37) and the range of total scores was 163-195. The 2021-22 interns' mean score was 167.16 (SD 9.99) and the range of total scores was 152-191. The ETS (2021) Understanding Your Praxis Scores 2021-2022 publication reported a median score of 168 and an average performance range of 161-175. On a whole, LC School Psychology program candidates' performance on the exam are aligned with the national average and expected performance on the exam.
