School Counseling Licensure Rate Matriculation AY's 2019-20 through 2022-2023

Data Notes

Our School Counseling program is a two-year cohort-based program, which offers both degree and license-only tracks. (License-only candidates account for the slightly higher matriculant totals here as compared to the School Counseling graduation rate table). Our most recent program completers matriculated in 2022-23 and were recommended for licensure in summer 2024. Candidates are allowed up to 5 years to complete.

In Oregon, program completion is statutorily defined as recommendation for licensure. EPP-recommended candidates have met all requirements for licensure, but not all program completers are ultimately licensed. (e.g. candidates who get jobs out-of-state may not need to file their Oregon licensure paperwork).

Trends

Licensure rates in our School Counseling program have been consistently high over time, although some candidates take longer than two years to complete the program.
