## GSEC School-Based Programs: Exam Biennium Passrates, by Program

\*Average score & passrate calculated w/ highest score per student per exam.

\*Candidates reported in the biennium of their high score in cases where they attempted the exam in multiple biennia.

\*Data as of 2/24/25

Program	SimplifiedExamTitle	Exam Biennium	n	#Not Passing	High-Score Average	High-Score Passrate	Biennium State Mean
ESOL	NES - ESOL	2020-2022	24	0	262.8	100.00%	251.2
	NES - ESOL	2022-2024	21	0	265.5	100.00%	251.1

**Data Findings, ESOL:** Data from four cycles were aggregated together into biennia, due to low n's in the 2023-2024 exam year (n = 7). Candidates' mean scores were relatively consistent over time, and well above the state mean in both biennia. All candidates ultimately passed the exam.

## GSEC School-Based Programs: Exam Triennium Passrates, by Program

\*Average score & passrate calculated w/ highest score per student per exam.

\*Candidates reported in the triennium of their high score in cases where they attempted the exam in multiple triennia.

\*Data as of 2/24/25

Program	SimplifiedTitle	Exam Triennium	n	#Not Passing	HS Avg	HS Passrate	Triennium State Mean
Reading	Praxis - Reading Specialist - 9/1/21 and after	2021-2024	20	1	176.4	95.00%	172.0

**Data Findings, Reading:** Data from three cycles has been aggregated together due to low n in all years (In the 2021-2022 exam year n = 8; 2022-2023 n = 4; 2023-2024 n=8). Candidates' mean scores were slightly above the triennium state mean. The one candidate with a non-passing high score is still enrolled. All other candidates passed the exam on the first attempt.
