

## 2026 CAEP AAM 3-Initial Programs Licensure Rates

### Elementary Licensure Rate

#### Matriculation AY's 2019-20 through 2023-24 cohorts

##### Data Notes

Our Elementary Education program offers a 13-month full-time cohort and starting in 2021-22, a 25-month part-time cohort. Our most recent part-time cohort graduates matriculated in 2023-24 and were recommended in summer 2025.

In Oregon, program completion is statutorily defined as recommendation for licensure. EPP-recommended candidates have met all requirements for licensure, but not all program completers are ultimately licensed. (e.g. candidates who get jobs out-of-state may not file their Oregon licensure paperwork).

##### Trends

After expected time to degree, licensure rate in our Elementary program has been consistently high over time.
